HOMOLOGATION

N.B. 97/24/CE and **2006/120/CE** directives are respected if you keep the original catalyst or if you mount a Spark homologated system with catalyst. For some products, catalyst is available as spare part.

N.B. European homologation is effective for specified vehicle types only

E3 Spark homologated product includes the catalyst, according Euro3 or previous directives

E3 Spark homologated product without catalyst (you keep the original one) according Euro3 or previous directives

E3 Spark homologated product without catalyst (old homologation or spare part)

E4 Spark homologated product, according Euro4 directives
